

LIFT SAFETY - COVID-19

One (1) person at a time

In line with Government advice to limit the number of people to “4 square metres provided per person in an enclosed space” please do not get into the lift if there is someone already in there, please be patient and wait for the next lift.

Exception

Family members or people living within your apartment.

Please observe social distancing of 1.5 metres between people at all times.

Thank you for your co-operation
